

B-ABLE NEWSLETTER

Issue No. 30 July-September 2023

Highlights of B-ABLE Foundation

- Employee Strength: 160+
- Skilled: 1,79,000+ Youth
- Outreach: 20 States
- No. of Trainers: 24
- Skilling Centres: 18
- Sectors: 7

"I am feeling proud to share with you that we have skilled 1,03,000 youth, including 52% girls from government schools, colleges, & skilling centres from July to September 2023. Cumulative, in 11 months 1.63 lakh youth are skilled and certified under UNICEF YuWaah initiative to provide 21st century skills to 14-24 year age group through online learning system under digital productivity or financial literacy certificate courses. We have covered 800 plus schools and centres in 20 states.

I hope this Passport to Earning Program will help learners to develop new skills for building the nation. We are continuing this partnership in next quarter also and looking forward to the participation of more & more learners.

Thanks to UNICEF YuWaah."

**Mr. Vedprakash Sharma
COO, B-ABLE Foundation**

Our Outreach

B-ABLE Foundation has been implementing multiple skilling programs and micro-entrepreneurship models across 20 states in India

Key Highlights

Meeting with Chairman

We had a meeting with our Chairman Mr. Sushil Ramola and Board of Director of B-ABLE. Mr. Roop Salotra, along with CEO Mr. Vishal Singh Amarawat, Lead Operations Mr. Vishnu Sarda and Head Finance of B-ABLE Mr. Naveen Kumar at our Delhi office on Aug 25. Our COO Mr. Vedprakash Sharma and team interacted with them and shared our

Foundation's progress of work. Mr. Sushil Ramola was happy to know that we are progressing well and targetting one million youth by 2030. He further guided and motivated our team through his valuable inputs and encouraged us to work even more towards impacting lives through skilling.

MoU Signed with Wadhvani Foundation for Content Support

B-ABLE Foundation signed MoU with Wadhvani Foundation on 20th August 2023 for sharing content online for various digital programs. The Foundation provides digital content in phlebotomy, retail, and other such sectors to help students get easy access to information so that they can carry on with their training programs successfully.

Program Highlights

Skilling Credit Processing Officers at Noida

B-ABLE Foundation is happy to share that we have launched Credit Processing Officer Program in collaboration with Charities Aid Foundation (CAF). Our team inaugurated the program in September at Noida and motivated the first batch of students. The program is aimed towards equipping youth with skills for employment and placement.

Kisan Sathi: 32 Cattlefeed Entrepreneurs

We have successfully established 32 kisan sathis as cattle feed entrepreneurs as on September 2023. They are doing good business in Gajraula area of Uttar Pradesh. We have promoted their collective hub, which is supplying quality cattle feed products and supporting farmers.

This is co-creation of livelihood generation model with Jubilant. The model will help to improve nutrition of their cattle, which, in turn, may lead to optimized milk production, thus, bringing prosperity to dairy farmers, which is the ultimate objective of the incubation model.

Program Highlights

International Placements

B-ABLE Foundation facilitates aspiring youth from different parts of the country and provides training for international employment opportunities in Germany currently. This will improve their standard of living and promote self-development, at the same time, contribute to the formal economy of our country. Our international program commenced in 2022 and is spread across India. We have successfully supported 6 candidates.

Highlights:

*Monthly earning
2 lakh+ INR*

Name of Candidates	Sector	Year of Enrollment
Deepak Sharma	Nursing	2023
Gunjan Nagarkoti	Nursing	2023
Akansha John	Nursing	2022
Kumar Yuvraj	Hospitality	2022
Taranpreet Kaur	Hospitality	2022
Ritesh Pandey	Mechtronics	2023

Recruitment drive for drone pilots at ITI, Punjab

B-ABLE Foundation organized a Placement Drive in July at ITI College in Manuke and Moga in Punjab for drone pilots. In Moga, the drive was organized in collaboration with Moga District Employment Bureau of Punjab through the assistance of Placement Officer. The drive helped the local youth know about the emerging trend of drone application in agriculture and how to enrol for the drone pilot training program, which can help them in gaining meaningful employment.

Heavy machine training program restarted

After completion of two successful years, we have restarted training for Backhoe Loader Operator and Technician under the CSR initiative of GAINWELL. The program intends to skill the local youth in operating and handling heavy machines, thus, opening doors to newer employment opportunities. The first batch comprises 11 students, including one female student from Uttar Pradesh.

Foundation received momento from GAINWELL

MD and JMD of GAINWELL appreciated our efforts and shared a momento at the Alumni Meet on September 16, 2023

Our COO Mr. Vedprakash Sharma receiving the momento from CMD of GAINWELL Mr. Sunil Kumar Chaturvedi

Special Moments from the Annual Function

Alumni Meet was organized in the same function and we invited skilled beneficiaries from our previous batches from across India to attend the Meet. The purpose was to connect with them and motivate them and understand the CSR program impact on their lives.

Partnership with UNICEF

Implementing P2E program in 20 states - skilled 1,03,000 youth in this quarter

B-ABLE Foundation, as the ground-level implementing partner of YuWaah UNICEF's Passport to Earning Program (P2E), begins the second phase. We have been doing orientation sessions and workshops at various schools and colleges across the country to educate youth about the program, how to enrol for it, and how the 21st century skills can pave a brighter path for their future.

Highlights:

- Our vocational coordinators covered schools in North, West, South, and Northeast India
- We conducted workshops at the school and college level to engage students for P2E.
- We are covering 18 divisions of Uttar Pradesh in this phase.
- We have skilled 1.03,000 youth, including 52% girls from govt. schools, colleges, & skill centres from July to September 2023

Highlights:

Youth of India are keen to go digital

A huge participation of students in workshops and orientation sessions prove that youths are keen for digital learning and financial literacy.

Sample Certificate

New program initiated with UNICEF in Uttar Pradesh

We have launched a new program with UNICEF to guide and support the Uttar Pradesh government in implementing digital productivity and financial literacy program in schools, colleges, and skill centres across Uttar Pradesh. We are covering 18 divisions as of now. Our team had organized an introduction meeting on August 24 for the newly enrolled vocational coordinators, who are expected to contribute significantly in implementing this project in the state.

Building Capacity in Schools

Phlebotomist Skill Building Program - 59% Female Participation

Enrolled 1700, Skilled 599 & placed 416 till September

We are into partnership with Dr Lal PathLabs for implementing Phlebotomist Skill Building program. We have completed 5 years and have 10 skilling centres covering 7 states viz; Uttar Pradesh, Maharashtra, Madhya Pradesh, Rajasthan, Andhra Pradesh, Telangana, and Assam. This year, 1700 students are enrolled, out of this 599 are already skilled and certified successfully and 416 are willing to do job. Rest of the candidates would be skilled and certified this year. We are focusing on quality training & social impact of our program.

We are proud in this partnership. Our program team is putting its best to deliver the program successfully and support diagnostic industry through skilled phlebotomists. Our centres are well-equipped with practical labs, online/offline system. Students get quality training and good exposure.

Skill Centre Heads Annual Meet

We had organized meeting of centre heads of our 10 skilling centres under Dr. Lal PathLabs at our head office in New Delhi on July 14. The meeting was aimed towards discussing the operations of the project, exchanging ideas, and providing guidance to everybody. Mr. Rajesh Singh, along with his team, graced the occasion.

Building Master Technician Program

We successfully trained 103 candidates under the Building Master Technician (BMT) program in partnership with Everest Foundation.

BMT Board and Panel training program was conducted in Jaipur in which we trained total 51 candidates, while BMT Roofing training program was conducted in Kaithal, Haryana, in which we trained 52 candidates.

Our association with the Everest Foundation continues in the 4th year, as we signed MoU on July 1 for the next training program, which is scheduled to be conducted in Lucknow and Indore. Mobilization for the next batch is already started.

Highlights:

- Total candidates trained: 103
- BMT Board & Panel: 51
- BMT Roofing: 52

Overall, 1000+ candidates skilled since beginning of our partnership with Everest

Technical training in progress - Jaipur

Building Master Technician program

Technical training in progress in Kaithal, Haryana

In Our Loving Memories

Mr. Ashutosh Saxena, our former AVP - Operations and one of our dedicated development professionals is no more with us. He passed away on August 26, 2023, due to multiple organ failure. Ashutosh served B-ABLE and B-ABLE Foundation for more than a decade in various capacities.

We pray for his soul to rest in peace and give his family the courage to withstand the loss at this moment of grief.

Starting a new journey as Kisan Sathi

Hrithik Kumar from Gajraula contacted our Field Coordinator and showed interest in joining cattle feed entrepreneurship project and becoming a Kisan Sathi. As per all our terms and conditions, he got registered as a Kisan Sathi in Gramin Samriddhi Kendra. Today, Hrithik runs Kisan Sathi Center from his home and, along with 15 farmer friends, he provides goods and services needed to the farmers of 15 villages. Hrithik says that he is very happy to join because by running the Kisan Sathi Center, he can call himself an entrepreneur and enjoy a sustainable livelihood at his own home.

Getting trained as a drone pilot

My name is Vikas Kewat from Barnagar Ujjain district of Madhya Pradesh. I got the opportunity to undergo drone pilot training through B-ABLE Foundation. Apart from learning how to fly a drone, I learned a lot of other essential things like how to lead a team or how to simplify my work with the team. I highly recommend this training to anyone looking to gain skills in the drone industry for future career aspects. Right now, our team has 29 drone pilots and they are working on agricultural sprays in Punjab, Haryana, Maharashtra, and UP. I would like to say a big Thank You to B-Able Foundation and General Aeronautics.

Devashish Phlebotomist

I am Devashish Chhabra, residing in Jaipur, Rajasthan. My family was facing financial issue and I was eager to help my father to ease his worry. I came to know about Phlebotomy Skill Building Program through a mobilization session conducted by B-ABLE Foundation in which they were distributing pamphlets. I contact the Foundation team and they helped me enrol for the training program. I completed the training and got certified. Today, I am working at a reputable path lab and clinic in my city and earning a decent livelihood. I am proud that I can help my father run the house. My deepest thanks to B-ABLE Foundation and Lal PathLabs Foundation for giving my life a new direction.

Silvia is working in Europe

Meet the girl who changed her life through Food & Beverage program under DDU-GKY and flew to Europe for an incredible career.

The girl is Silvia Mangte Kom. She completed her program at Imphal centre, Manipur. From being a simple and shy girl to becoming a skilled, sophisticated, and confident girl, Silvia has come a long way and made a mark in her career. She is now employed as a waiter at the esteemed Rooth Indian Restaurant in Split, the second-largest city in Croatia country in Europe. She is receiving a remarkable salary package.

Silvia has made us proud. She not only connotes women empowerment, but also makes India proud. We Indians are known for our diligence, dedication, and never-say-die attitude. Silvia is one of them. We wish her all the best for the future.

Girls are working in food delivery

Amidst the verdant fields of the DDU-GKY Centre in Ranchi, young maidens from the Food & Beverage Batch 2 underwent a wondrous transformation. Their spirits were lifted as they learned to harness the magic of the two-wheeled steeds, soaring through the air with grace and power. Such enchantment bore a noble purpose: to deliver food to the deserving with timely haste and to weather every twist of fate that crossed their path. This spellbinding feat, a testament to the spirit of feminine might, kindled fires of independence and prosperity, illuminating a path of hope for generations to come.
